AINSLIE ACT 2602

Dear Mr West

I wish to congratulate Environmental Sciences Australia Pty Ltd and Insite Industries on jointly attaining the Environmental - Residential Green Living Project Award at the 2011 Master Builders Association and Boral Excellence in Building Awards ceremony.

With changing environment standards in the building industry, Environmental Sciences Australia has continued to develop the expertise to look after our environment and support our rapidly growing building industry.

On behalf of the ACT Government I would like to thank you for your dedication towards achieving excellence in your field.

Yours sincerely
